

Media Release

1. Content

The London Knights take videos and still images at the majority of events.

- Player, Coaches, Vendor Staff, Spectators, and members of the public may be recorded.

2. Uses

- Website
- Social Media Posts / Stories
- Game Analysis
- Promotional Materials

3. Player's Agreement

- Players acknowledge that they will be recorded.
- Players acknowledge that their image or likeness will be used by the London Knights.
- Players will have no right to claim copyright or compensation for the use of these images.
- Players waive any right to review images before they are published.

4. Opt Out

- If a player wishes not to be recorded must declare this to photographer/videographer prior to the start of an event.
- They will be given a wristband to throughout the event.
 - a. These will be used to identify the player in the event their image is captured.
 - i. Any images captured of the player wearing the wristbands will be deleted, or will have your likeness edited out or blurred.
 - ii. Should the player be captured without the wristbands, those images will be nullified of the opt-out and may be used by the London Knights.
